

I PLEDGE TO BE A SAFE FOCUSED DRIVER

I pledge to keep my eyes on the road, my hands on the wheel, and my mind on my driving. I pledge to save lives, to teach others good driving habits, and to wear my seatbelt all the time, every time.

- I will not text while driving.
- I will not answer my phone while driving, and I will let the call go to voicemail. When it is safe to pull over, I will retrieve my messages and make my calls.
- I will be an advocate for safe driving by encouraging others to be focused drivers and to refrain from texting or using hand held devices.
